Spot Report

-Civil Defense Center advised CIA Watch Office afternoon of 15 May that the American Nazi Party at a press conference on this date advised that they had changed the name of their organization to the National Socialist White Peoples Party with offices located at 806 North Taylor Street, Arlington, Virginia. They advised that membership has increased 15% since ROCKWELL's assassination. They are holding a rally on 31 May at the Sylvania Theatre and are planning to take an active role in the Washington area this summer. They advised that they have every intention of controlling the situation if it gets out of hand.

PROJECT MERRIMACK - Special Report

During a conversation between a reliable source and an unidentified resident of Resurrection City, it was learned that at about 2 A.M. this morning (22 May 1968) a group of white people entered the camp and raided the warehouse. Arm bands are now needed for residents of the City since it was runnored that these white raiders were going to blow up either part or all of the City.

PROJECT MERRIMACK - Special Report

A reliable confidential informant of the reported that Stokely CARMICHAEL's position as a true Soul Brother is in doubt among the rank and file since he is spending a great deal of money and reportedly has a "stable of white chicks." A true Soul Brother would not be acting as Stokely reportedly is. It is also the opinion of some of the rank and file that Stokely is being financially supported by CIA since his source of financial backing is not known.
